CONSTRUCTION

SERVING LA JOLLA FOR OVER 25 YEARS

GRUNOW CONSTRUCTION HAS SPENT THE LAST 25 YEARS BUILDING A BUSINESS KNOWN FOR QUALITY CRAFTSMANSHIP AND CLOSE PERSONAL RELATIONSHIPS IN LA JOLLA. RECENTLY TOM'S SON DANIEL JOINED GRUNOW CONSTRUCTION AND TOGETHER THEY PLAN TO CARRY ON THE BUSINESS MODEL WITH A RENEWED EMPHASIS ON GREEN BUILDING AND SUSTAINABILITY. TOM AND DAN ARE BOTH INVOLVED IN ALL PHASES OF CONSTRUCTION, AND EACH PROJECT IS ASSIGNED A SUPERINTENDENT TO ENSURE THAT THE JOB IS DONE RIGHT THE FIRST TIME.

For the Grunows it has always been about family and a sense of community. "We try to treat our clients and employees like family," says Dan Grunow. "A lot of our clients are repeat customers or referrals, and our tradesmen are all full-time employees. By showing people that we care, we aim to build lasting relationships built on trust and performance."

The Grunows are heavily involved in the local La Jolla community. Tom is currently a board member and head of the building committee at the La Jolla Historical Society. He also donates his time at St. James by the Sea, where he is an incoming vestry member as well as being the head of the building committee and an usher. An avid surfer, Dan is a former president of the Windansea Surf Club, and he continues to donate his time to support youth surfing in the local community. ■
